14. NSC Actions re Recommendations  
of the Joint Study Group

Mr. Dulles noted the recent NSC actions on the report and recommendations of the Joint Study Group and, with reference to Recommendation Nos. 29 and 31, requested that the members submit by the next Board meeting nominations of senior representatives for assignment to the Coordination Staff.

Mr. Dulles and Mr. Amory also discussed with the Board the implementation of Recommendation No. 16 and NSCID No. 8, including matters pertinent to the administration of, and physical arrangements for operation

of, the National Photographic Intelligence Center (NPIC). Mr. Dulles then nominated Mr. Lundahl of CIA for Director of NPIC. He also suggested that a Deputy Director for the NPIC be selected from the Department of Defense and indicated the qualifications he deemed desirable for an individual assigned to that position. It was understood that an attempt would be made to finalize action on nominations for these positions at the next Board meeting.
